## Music Warm Up Areas:

Ensembles can warm up in their parking area anytime, facing away from the school and other bands actively warming up. Amplified sounds such as Dr. Beats and front ensemble speakers are permitted; please keep all speakers facing towards Robb Drive and be mindful of volume. Drumlines may warm up on the grass near the front of the school. Color Guards may use the basketball courts to warm up; please point speakers away from the competition area and be mindful of volume.

The campus's upper lot and east side past the basketball courts are quiet zones after 1 pm.
