- You may stage at the area indicated on the map. You can also stage them on the track at the south endzone.
- If it is windy, please secure props wherever you leave them.

- Performers may re-enter through the band staging gate. Please wait for the area to be clear.
- They may also enter through the spectator gate.

Staff Viewing Area/Sound Mixing Area:

- The photo decks on either side of the press box are reserved for staff viewing and sound mixing. Please do not enter this area before the prior band's performance as space is limited.

Field & Hash Marks:

- The field will be marked with standard high school lines, inserts and hash marks. Yard markers will be placed on both sidelines.
